

Yang Academy

French/Math Enrichment Camp

Mon-Fri, Aug 2nd - Aug 13th 2021, 9 AM - 4 PM

For rising **3rd-5th** graders

Tuition: \$600/student

In person if health conditions allow*

Morning French Class: 9 AM - 12 PM

Students will receive daily French language enrichment in reading, grammar, vocabulary, and composition, culminating in a student presentation at the end of each week.

Activities may include group puzzles, singing, arts and crafts, and educational videos. Presentation topics may include The Francophone World, French Cuisine, Sports Around the World, and Theater Arts. Students are expected to speak French in the morning.

Lunch: 12 PM - 1 PM

Afternoon Math Class: 1 PM - 4 PM

The goal of the mathematics enrichment camp is to help students develop logical reasoning and creative problem solving skills through rigorous and challenging activities.

Activities may include games, puzzles, math competition preparation, and presentation of important concepts/problems. Teamwork and cooperation are highly encouraged. A mini math competition with individual and team rounds will take place at the end of every week.

*Maximum class size of 15 students to comply with COVID-19 guidelines.
